# In Bali, fire is sacred. It isn't just represented by its active volcanoes but also by the fiery, all-encompassing spirituality of the population.

On this island, fire resides in the red shades of sundown that set the sky aflame. In the warmth of the sun that heats and dazzles. In the love of life that you can breathe in the air.

Cbdesign is inspired by the warmth and vitality of fire to create strong and sturdy everyday furniture to accompany unforgettable moments.

RED LIKE A BLAZING  
FIRE, LIKE PARCHED  
LAND OR LIKE  
BUBBLING LAVA. RED  
LIKE THE SUN THAT  
RISES IN THE MORNING  
OR THAT SALUTES AT  
NIGHT, JUST BEFORE  
DISAPPEARING INTO  
THE OCEAN. RED LIKE  
CORAL ON THE SEABED  
OR LIKE FLOWERS  
BLOOMING ON  
TROPICAL PLANTS.

**A TABLE FOR DRINKING  
COFFEE AND FLIPPING  
THROUGH A MAGAZINE**

Forever new  
and different  
patterns  
made from  
meticulously-  
woven rope.
